FRIENDS OF SNODGRASS MOUNTAIN PETITION: Attention USFS, CBMR

The Friends of Snodgrass Mountain below intend to preserve the current undeveloped state of a lift-free, publicly owned Snodgrass Mountain. As stewards of our public lands it is our responsibility to preserve these lands now as well as for generations to come. We believe that Snodgrass Mountain is more beneficial to our economy, our quality of life and our environment without ski lifts. We petition you to keep Snodgrass Mountain in public hands and lift-free!
